

# THE TIPI

JUNE / JULY 2025

In May we had Spring Inductions, one of our biggest events every year. This year 483 people registered and 156 candidates earned their sash and are new members of Occoneechee Lodge! Many service projects were done around camp including, campsite kiosks, a sports center and a brand new entrance sign.

SONG OF THE MONTH

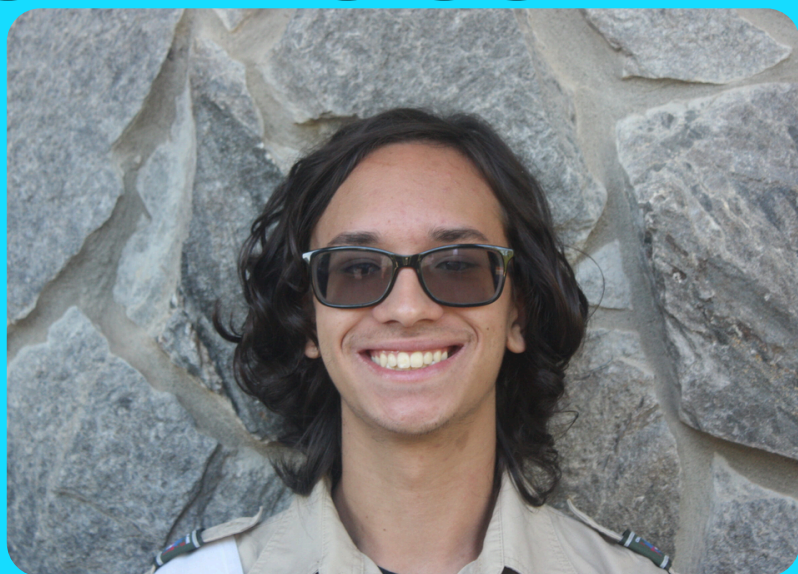

It's Durant's favorite time of year, summer camp season is here! The excitement kicks off with the first week of camp starting June 15th. Known for its wide variety of activities from archery and marksmanship to boating and outdoor skills, Durant is the place where unforgettable memories are made.

Lodge 104 is proud to call Durant a second home. Throughout the year, we dedicate our weekends to giving back through service, ensuring that this special place continues to thrive for future campers. Durant gives so much to us, and we're honored to return that love and support.
